Nearly five million people visit the Grand Canyon each year, though few venture beyond the rim. This ancient gorge is so impressive that all experience it in their own personal way: some simply stand and stare, others are compelled to action, but at some point nearly everyone is rendered speechless.

#### ***Travelers' Tales Grand Canyon: True Stories***

Edited by Sean O'Reilly, James O'Reilly, and Larry Habegger.

Explore this magnificent chasm that was ancient while the Nile was still young. Through this collection of true stories you can experience the deeper wonders of this majestic world treasure. Follow these writers as they:

- ✦ Swim in hidden grottos under luminous waterfalls
- ✦ Touch the face of a goddess, Stone Creek Woman
- ✦ Raft the huge green waters of the Colorado River
- ✦ Let the staggering beauty of the Inner Gorge fill you
- ✦ Face the terror of a flash flood
- ✦ Meet your maker as you meditate beneath billion-year-old rocks
- ✦ Hike ancient Native American trails through astonishing side canyons...and much more.
