Prague has inspired Mozart symphonies and Kafka mysteries. It has been a beacon for alchemists, intellectuals, and expatriates, and today record numbers of tourists are visiting the city, emboldened by the spirit that has affected so many souls through the centuries.

Travelers' Tales Prague: True Stories

Edited by David Farley and Jessie Sholl

Featuring essays and travel recollections on the Czech capital and its environs that are educational, enlightening, and laugh-out-loud funny. They revel in the city's major landmarks—the sculpture-lined Charles Bridge, the enormous castle on the hill—and go beyond, revealing why this city of 1.1 million has a pull like no other place.

- ✦ Wander Kafka's cobblestone streets in search of the Castle
- ✦ Travel through Bohemia's forests with a bevy of sausage-gobbling, beer-swilling tramps
- ✦ Discover the expatriate writer's life in Prague
- ✦ Follow an exiled supermodel as she returns to her birthplace
- ✦ Learn English in a Czech brothel
- ✦ Marvel at the bewitching bone church in Kutna Hora
...and much more.

Foreword by **Ivan Klima**
